Job vacancy

Job description

Springfield Day Nurseries is the largest day care nursery in the North Wales area, employing more than eighty staff across five settings in Llandudno, Colwyn Bay, Abergele and Conwy.

Not only is Springfield the largest, but it is also the best, and we are the best because of our hard-working staff who provide a superior experience to not only all the children we welcome through our doors, but to our volunteers, student placements and fellow colleagues.

Due to an increase in demand, we have exciting vacancies for qualified Nursery Nurses (NVQ Level 3 in Childcare Learning and Development or equivalent) to work either full or part-time.

Successful candidates will embark on a programme of continuous professional development and career progression through our rigorous mentoring and training plan, which will equip you with the skills and experience to move effortlessly into a management position when the time comes.

All our staff benefit from a 20% discount on childcare for their own children, 5.6 weeks paid holiday, the option of free lunches when eating with the children, a contributory pension scheme, recognition awards, discounted driving lessons for learners, a gift on your birthday and the chance to work and train with one of the industry leaders in the provision of childcare with a reputation for excellence and quality.

You would need to be available to work between 7.30 am and 6.00 pm between three and five days per week (eight-hour days) and although not essential, a driving licence would be beneficial.

If you want to join our friendly and welcoming team, send your CV via Indeed with a covering letter to tell us about yourself. We guarantee an interview for all qualified applicants.
